January 2014

because U are unique

In 2014 Vihula Manor Country Club & Spa participates in many fairs

It has been an excellent and busy year. Vihula Manor has had many guests from around the world and has hosted some wonderful events. We are proud, that on October 30th, the National Heritage Board of Estonia gave "The Owner of the Year" title to Vihula Manor. The award was given for an extraordinary effort in preserving the cultural heritage of Vihula Manor. In autumn Vihula Manor has concluded a remarkable agreement with ESPA, the leading international luxury spa brand.

In 2014 we want to keep the manor active all year round so we are planning several events and interesting activities to appeal to a wider audience. We will be also focusing heavily on creating unique, tailor-made events for customers. We are also planning to participate in different fairs and workshops. On 11-12th January, Vihula Manor participates together with Sagadi Manor in Wedding Fair and on 16-19th January in Matka Fair in Finland. On 30th January Vihula Manor takes part in a workshop in London.

February seems to be also quite busy and active. Vihula Manor participates in Baltour in Latvia, Tourest and SPA Fair in Norway. We are ready for ITB in Berlin in March, ABTM in Barcelona and WTB in London in November.
