### Delicious Manor Sweet

Already in ancient times the lady of the manor offered cookies to her guests. The legend tells that the cookies were kept in the main house ground-floor dining room's cupboard. The lady of the manor had a habit of awarding good service or extra efforts by the staff with a cookie or some other treat, which came out of that cupboard.

Some of the old manor-time recipes have been recreated by Vihula Manor chefs and now we offer a variety of locally made cookies with exciting flavors. There are chocolate, poppy seeds, caraway seeds, and corn flour cookies in the range.

The lady's favorite delicacy was lavender cookie - dried lavender blossoms have been added to the cookie mix.

### Vihula Manor Cookie Mix „Bake your own Vihula cookie“

With such a nice gift it is fun to visit friends or to give children the opportunity to enjoy the fun of "Do It Yourself" activity.

Preparation of cookies is simple and will only require three things: the cookie mix jar, 90 g of butter and 1 egg. If you have Vihula cookie mix, then the rest of the necessary things usually can be found at home. Add butter, eggs, your positive emotions and a bit of heat from the oven, and the delicious biscuits are ready.
