Vihula Manor Apple Glögg

Meet our latest arrival - Vihula Manor Apple Glögg, an alcohol-free craft glögg, or in other words, mulled wine. The mulled wine is made from hand-pressed 100% natural apple juice and flavoured with five powerful spices: lavender, mint, thyme, ginger, cinnamon and chokeberry.

Vihula Manor has a famous old apple orchard and herb garden which surrounded by high limestone wall. This ancient wall keeps the fruit trees and herbs extra warm, helping them to absorb all the smells, tastes and warmth of our short Nordic summers. These flavours and feelings of summer are gathered into our mulled wine in an original recipe by the manor's chef de cuisine Lauri Tomingas.

For a spiked version, we suggest adding some Calvados or Vihula Manor Vodka and serve it hot with a slice of lemon.

Come and enjoy this beverage at Vihula Manor or get it in a nice gift bottle from Tallinna Kaubamaja department store.
