MAY 2013

*because U are unique*

## Vihula Holiday Village new 2013 season opening on the 11th of May

Everyone is welcome to the Vihula Manor Holiday Village new season opening on Saturday from 12:00 to 19:00.

Invite Your mothers and grandmothers to enjoy a lovely day on a manor and celebrate the upcoming Mother's Day. Craftsmen of different art offer handcraft and farm products to take home. Wine makers and brewers will introduce the new season tastes, whilst the local fishermen boast about fresh and smoked fish. You may pick up some manor's gardener grown herbs and flowers from for your own garden.

Lots of different activities await you whole day long. Exciting manor tours, treasure hunts, lotteries, minigolf, river boats, Eco Farm animals and much more!

Grown-ups will get to enjoy the minigolf and the pool at half price, children for free. There will be a trampoline for children, joyrides with a horse carriage and a lot of fun taking memorable pictures with the family. Manor's chefs will grill pork and offer many mouthfuls.

### *Vihula Manor Holiday Village season opening timetable*

- \* At noon Vihula Manor is open for guests and trade.
- \* At 2 pm we welcome you to a manor tour with Jüri Kuuskemaa.
- \* At 3 pm starts the mini-golf tournament.
- \* From 3 pm to 4 pm you are welcome to spend the afternoon learning the technique of crackle decoupage.
- \* At 4.30 pm meet the miller and join the Water Mill demonstration.
- \* At 5 pm you are welcome to join the five o'clock tea. Designer Merilen Mentaal will present her new garden design book.
- \* At 5.30 pm Vihula Manor's Head Chef Toomas Lääts will reveal the secrets of the lady of the manor's recipe book.
- \* At 7 pm the band "Noorkuu" in concert "Better Wings". Ticket price 8 EUR.

# VIHULA MANOR HOLIDAY VILLAGE

Vihula Manor Holiday Village offers unique leisure and entertainment facilities. With all its many facilities and activities Vihula Manor Holiday Village has everything to create a perfect day in the countryside for active families with kids.

## Vihula Manor Mini- Golf

Vihula Manor Mini-Golf features a completely new mini-golf concept highlighting the nature and architecture of three Baltic countries in a 18-hole facility, which has plenty of both educational and entertaining qualities. Mini-Golf is open daily from 11am to 07pm.

## Swimming pool and steam sauna

The old large Cattle Barn features an in-door 15-meter Swimming Pool with a Kids area, Turkish Steambath and Gym. Entrance ticket to the Swimming Pool is available at the Reception and at the Visitor Centre in the Water Mill. Open daily from 10 am to 8 pm.

## Vodka Distillery

The Vodka Distillery is featuring a Vihula Manor Vodka Museum with exhibits related to the history of spirits and vodka distillation in Estonia and in Vihula Manore.

## Water Mill

The Water Mill itself has been completely restored and is now the best preserved functioning Water Mill in Estonia. Besides, the Water Mill also features a Lifestyle Café with a Summer Terrace overlooking the Mustoja River and the waterfall and a small Manor Museum with exhibits related to the history of Vihula Manor and the history of the Water Mill itself.

Here you also find the Visitor Centre, where you can get more information about all the facilities and activities at Vihula Manor Holiday Village.

Open daily from 10 am to 10 pm.

## Vihula Manor Eco-Farm

All the kids – both the small ones and the adult ones – will certainly be interested in Vihula Manor Eco-Farm, located in the 19th century Horse Stable. You will love to watch the farm animals such as horses, cows, sheep, rabbits and chickens. Open daily.

## Vihula Manor Eco-SPA special offers

Vihula Manor is pleased to introduce you an exclusive line of Swiss cosmetics Karin Herzog Oxygen, which has been developed by well-known researchers on the bases of multiple studies. Karin Herzog cosmetics work on the principle of oxygen reaching the skin, reaching the deepest layers. It is clinically proven, that Karin Herzog's cosmetics products exclusively help to increase oxygen levels in the skin, which improves skin cell formation under the influence of nature. As a result, the surface of the skin looks younger. This medically proven and patented scientific process is known throughout the world. It is used in plastic surgery and beauty salons to safely restore and activate the functions of the skin.

### SPECIAL OFFER

#### Slimming and toning body treatment 90 min

Effective slimming care, which improves skin tone and helps you lose centimeters. Treatment begins by placing hot stones at the downside of your back, hands and feet which helps the body feel totally relaxed. Oxygen-care products can penetrate deep into the skin tissue and simulate effective areas where the skin is uneven, with no visible cellulite. Care improves skin blood flow, and activates the metabolism.

110  
EUR

#### Total relax anti-wrinkle facial treatment 90 min

Treatment begins by placing warm stones under the back, hands and feet which helps the body totally relax. The aim of the care is to improve the oxygenation of skin cells and circulation.

The energy points of the body will be stimulated by the hot and cold stones to enhance the effect of the products and allow a full relaxation. The result is a bright and strained skin and wrinkles are reduced.

80  
EUR
