Golden body treatment in eco-SPA

Really luxurious treatment with strengthening and rejuvenating effect on skin. The treatment starts with body massage which is done with an exfoliator with golden particles in it. This will remove dead skin cells and brighten and enliven the skin, giving it back its natural radiance. After the shower it's followed by nourishing, moisturising, lifting body wrap with 24 carat gold. The treatment is completed with nourishing and moisturising massage with gold-infused oil. The result is demineralised, moisturised and nourished youthful skin, luminous with silk and gold.

Price: 55 EUR for 60 min.

We have listened to our clients and created **treatments for young people at the age 12-18.** Choose between golden body treatment, different herb massages or facial treatments. More information on our website.

We invite you to enjoy dinner with a beautiful live music on background in the elegant La Boheme Ball Room. Concerts happen **every Friday and Saturday** 19:30- 21:30 (except. 24.10.2014)
